Overnight Resident Camp

OVERNIGHT RESIDENT CAMP

Designed to allow campers a safe and fun experience bonding with each other and nature. Campers are grouped by age and gender into comfortable cabins supervised by cabin counselors. Each day campers and their counselors participate in activities encouraging play, skill development, and social bonding in a serene environment.

Our traditional camp experience includes activities like archery, arts & crafts, boating, swimming, ropes challenges, and more. Campfires every night allow campers to laugh, enjoy, and unwind together before another fun filled day of adventure.
Grades: 2-9

PIONEER MINI CAMP

A great introduction to our overnight camping for younger children, allowing for all the fun without being away too long. Mini Campers participate in camp activities alongside older campers, but leveled at their age group. This is particularly a great experience for younger children to join their siblings and share in the camping fun.
Grades: K-1

Camp Bishop offers a flexible rate plan that allows families to choose between three rates to best meet their household budget. Please take a moment to look at the Flexible Fee descriptions below and consider the rate that your family is willing and able to pay for your child's camp experience. The camp experience is the same whether you choose Tier A, B, or C.

Tier A: Based on the actual cost of camp for one child to participate. Includes expenses for staff, maintenance, food and supplies.

Tier B: Our partially subsidized fee for those families who can pay a little more, but still can't afford the actual cost of camp.

Tier C: Our standard subsidized fee. This rate does not reflect the true cost of operating camp programs.

Campers must be a YMCA of Grays Harbor program member. Cost: $5 youth, $10 adult

Additional Financial Assistance is available to those who qualify.
